From one generation to another
We declare the famous name Jesus, Jesus
Celebrate His resurrection power
Gave His life so we can live in freedom, freedom
In every nation He is alive
In every language it's the same hallelujah

Hallelujah, hallelujah
Hallelujah, hallelujah Jesus is alive
Hallelujah, hallelujah
Hallelujah, hallelujah Jesus is alive

CHORUS:

Alive, alive all over the world
Alive, alive, alive all over the world
Alive, alive, alive all over the world
Alive, alive, alive

TAG:

Oh, oh, oh

BRIDGE:

He conquered death so I can live
He paid my debt now I'm free
He conquered death so I can live
He paid my debt now I'm free
He conquered death so I can live
He paid my debt now I'm free
In every nation He is alive
In every language it's the same hallelujah
Oh
Blessed be our risen Savior
Jesus is alive
Alive, alive all over the world
Over the world
Over the world
